Dear All

What a shame the glorious weather has disappeared, we have had a lovely couple of weeks in glorious sunshine. It was the first time I have ever had to think twice about postponing a Sports Day because of the weather being too hot! However, we had a lovely Key Stage 1 and EYFS sports day and I was really pleased to see all the children taking part and supporting each other. It was also great to see our year 6 children helping and supporting the younger pupils.

We had beautiful weather for Mazey Day and must give a big thank you to Mrs Sopp who worked so hard getting the structure and costumes ready for the big day. The children were an absolute credit to the school and looked brilliant as animals in the ark. There are lots of photos of the children in Mazey Day on our Facebook Page (St Mary's Catholic Primary, Penzance). Please do look on there if you haven't already!

We have had some lovely class assemblies in the last 2 weeks from Year 6 who told the audience all about the Greeks and Year 1 whose theme was Minibeasts.

Year 5 have had a trip to Paradise Park and were so well behaved that they got to meet a two day old penguin. Year 6 visited the Minack Theatre to see The Emperors New Clothes (thank goodness that trip wasn't planned for this Friday in the rain!)

On Monday 26th the children tried food from around the world linked to their topics. It was great to see the children trying so many different dishes from around the world.

Last weekend, 6 children from our parish celebrated their First Holy Communion. It was lovely to see the children and adults of our parish celebrating together in the school hall. Harriett from our own school was amongst the children and looked beautiful in her special white communion dress.

A massive thanks must go to our brilliant PTA who organised a fantastic summer fete last Friday. They managed to raise £500. Thank you all so much for supporting this event. Next Friday there will be a quiz night in the school. Details of this event are in this newsletter.

This time of year there is always movement across the school regarding staff. Next Wednesday will be Miss Merriman's last day in the school Nursery. I am sure you will join with me in wishing her lots of luck in her new job.

Please check your child's bag as today they have a letter explaining who their class teacher will be next year. We will have a new full time teacher joining us in Year 6, Miss Nicholls and a part time teacher in Year 5 Mrs Dowling. We are sure they will be an asset to our school and they will be introducing themselves to the children before the end of term.

The next two weeks will be the school residential trips and we hope the children have a fantastic time. Please remember to return all the forms necessary for the trip to the school office. There will be regular updates on our school website and facebook page to let you know how the children are getting on.

Best wishes

Dear Parents and Carers,

This is just a little notice to properly introduce myself as St Mary's Family Liaison Officer. You will all probably recognise me as the lady who stands at the school gate every morning! My job is to support you and your children with any issues or problems that you encounter which could affect your child's learning. At St Mary's one of our main priorities is the welfare of our children and their families. I am here to offer advice and support with anything that you feel you or your child needs. Please feel free to chat to me on the gate or phone the school office to make an appointment to see me.

Kind Regards,
Mrs L Phillips

Virtues

Our Virtues for the next two weeks will be forgiveness and caring. Could you please discuss these at home with your child. These will be on display on our Virtues Tree.

Year 5 trip to Paradise Park

Year 5 had a lovely time at Paradise Park last week. They were allowed to feed the penguins and because of their first class behaviour, were given the opportunity to meet a 2 month old and a 2 day old penguin. The weather was beautiful and the children all completed the keeper's trail challenge. A great day had by all!
