

St Mary's Catholic School
Little Explorers
EYFS Newsletter Summer 2

Dear Parents and Carers,

I can't believe we are at the end of the half term already. We have been very busy exploring and using the outdoor area more in the lovely weather we have been having.

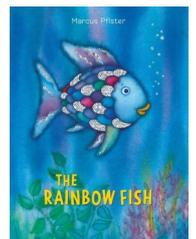

This term our focus has been on growing and we have planted beans and sunflowers. We have explored what plants need to grow and have been helping to look after them.

The children have been really interested in the caterpillars and are look at them every day to see how they have changed. They are starting to form their cocoons already. I will be taking them home in half term and will post an update on Facebook. I am hoping that they will last so that the children can see them being released.

After half term we will continue our topic 'All creatures great and small.' We will start by investigating different sea creatures and will find out lots of information about them too.

The children have really embraced story telling and look forward to learning a new one. We will soon be learning the Rainbow Fish by Marcus Pfister.

We have a busy term ahead with lots of dates for you to come into school, so please check the list of dates at the back of the newsletter.

Any questions then please feel free to ask.

Many Thanks
Miss Correnti

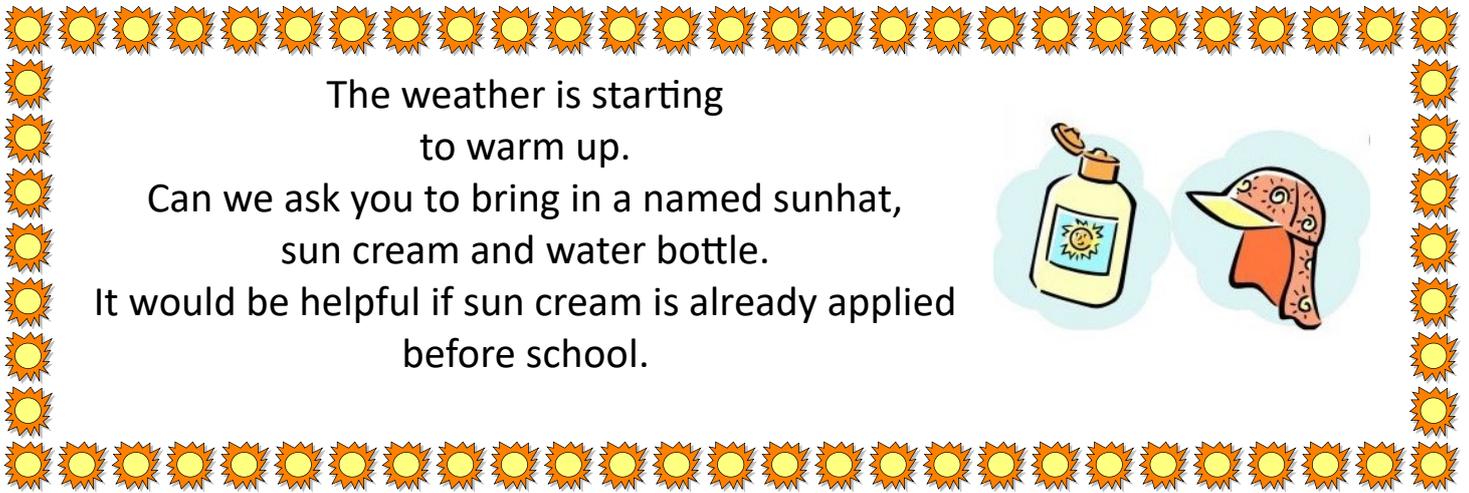

Sports Day

Nursery - Wednesday 13th June 10.30am

Children can come in dressed in their own clothes and trainers.
Please let us know asap if you intend to stay for dinner in the hall afterwards as we need to let the kitchen know numbers.

Reception - Thursday 14th June at 11am

Children to come to school dressed in their PE kits and trainers/plimsolls.
Followed by a teddy bears picnic.
Please bring a picnic for you and your child and of course a teddy.

The weather is starting
to warm up.

Can we ask you to bring in a named sunhat,
sun cream and water bottle.

It would be helpful if sun cream is already applied
before school.

Transition for Nursery Children

2-3pm

- Wednesday 6th June - Miss Correnti (EYFS)
- Wednesday 13th June - Miss Pascoe (Literacy Lead)
- Wednesday 20th June - Mrs. Barnard (SENCO)
- Wednesday 27th June - Mrs. Stott (Maths Lead)
- Wednesday 4th July - Mrs Bolton (Life at St. Mary's)

We are hoping that the sessions will be of real benefit to help you best support your child at school. Please attend as many as you can, however, the last one is the most important as it contains all the paperwork that you will need.

If you have any questions then please see Miss Correnti

Dates for your Diaries:
