

Dear Parents and Carers,

I want to start by saying a huge thank you to Mrs Ede, Miss May and our new PTA Team. The Christmas disco was a great success and every child was able to end the term with a chocolate selection box. Look out for their next meeting date to discuss this term's disco and a movie night. Not long now until we will have raised enough money to start shopping!

The board of governors met last term to discuss uniform. The aim was to make sure it reflects the type of learning activities the younger children do and to help the older children be smart, presentable and (for Year 5 and 6) be ready for secondary school. All whilst recognising the green colour is hard to buy and keeping it as affordable as possible. The new uniform list is attached to this newsletter - you will notice no more changing between winter and summer uniforms. PLEASE DO NOT BUY NEW UNIFORM YET. It does not matter which uniform your child wears for now - wait until they have grown out of it before switching.

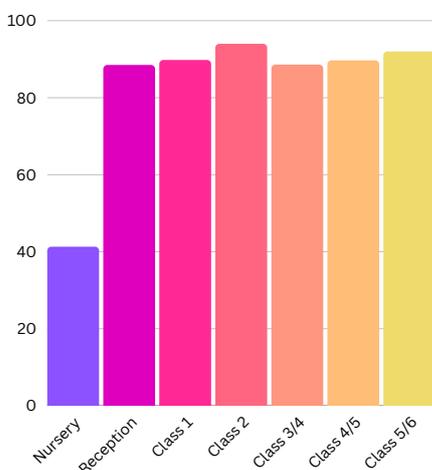

Finally, we are really pleased to be able to re-start the intergenerational links program with two of our local care homes - Penlee and St Mary's. There has been much research into the benefits for both children and the elderly community when they meet together. Our GIFT Team children will do their first visit to Penlee next week.

Best wishes,
Miss Teixeira
