'Growing together in Knowledge, Faith and Love'

18th June 2021

Dear Parents / Carers

Following the government announcement at the beginning of the week to delay reducing restrictions and the rising numbers of Covid cases across the county our school will continue to follow government guidance and have the following safety measures in place until the end of term. All children will remain in their class bubble and will not mix across the school, staggered times into school and pick up times will remain the same. Parents / carers will not be permitted into school unless by prior appointment and all adults will wear face coverings around the school when a 2- metre distance cannot be maintained.

We are all so disappointed that our end of year celebrations will not be the same as in previous years but the teachers are working very hard to ensure the end of year is still fun for the children.

There will be a cream tea picnic for children and parents in year 6 on the last day of term, separate letter about this will follow.

Many thanks for your continued support,

Demelza Bolton

We were visited by Penzance Community Floral Group who prepare and maintain the hanging baskets and planters in our town. During lockdown our children were invited to enter Southwest in Bloom drawing competition. We are delighted that today Clare presented two first prizes to Zuzanna and Lani-Rose. Well done!
