Dear Parents

I cannot believe that we are already at the end of our first term and what a busy but wonderful term it has been. It was lovely to see the children so confident during their Christmas performances and to have the children so well supported.

Behind the scenes the teachers have been working hard on our new curriculum. The Ofsted framework changed in September this year with a greater emphasis on our Foundation subject, something that I do believe St. Mary's already does very well. However, it has meant changes to some of our topics and the content. If you would like to know more about this please let me know!

I would like to take this opportunity to thank the staff for all their hard work this term. The pupils are so lucky to have such a dedicated staff team looking after their education and welfare.

I know you will join me in wishing Miss Correnti (HLTA) lots of luck in her new school and I am delighted to share that Miss Girling will be taking over the HLTA role in September.

May I also take this opportunity to thank our wonderful PTA for all their hard work this term. The time you volunteer to our school is much appreciated.

I hope that you all have a lovely Christmas break with your children and families and look forward to seeing you again in the New Year on Tuesday 7th January 2020.

Attendance

There has been a lot of illness this term within the school. Please ensure you ring the school office to inform us for the reason of your child's absent.

The office is open from 8am every morning.
