

# St Mary's Catholic School

*'Growing together in Knowledge, Faith and Love'*

Dear Parents / Carers

Finally, we seem to have some sunshine and warmer weather coming our way. We are still awaiting updated guidance regarding relaxing restrictions but as soon as we know more we will let you know. One of our main priorities has been looking into opening our school swimming pool again, as I know how desperately the children would like to once again have swimming as part of their weekly routine. We have had many contractors in to check the pool operationally which is all sound but unfortunately we are without a trained pool operator who would ensure the daily chemicals are safe for the children to swim. Due to the pandemic, training for this ceased and we are doing our utmost to source a training provider as soon as possible.

I would like to inform you that Miss Girling will be leaving us at half term. Miss Girling joined us as a maternity cover teacher and then continued working for the school as a HLTA. We are delighted for her that she has secured another teaching role as an online tutor. I know that you will join me in thanking her for everything she has done for St Mary's since joining and wish her lots of luck for the future.

I hope you all have a lovely weekend,  
Best wishes
